About us

Riga Aeronautical Institute is one of the leading and most experienced educational institutions in aviation sphere – not only in Latvia, but also across Europe and worldwide. Since 1992, our institute has been proudly accredited as the Riga Aeronautical Institute.

Over the years, more than 50,000 graduates have successfully completed their studies with us. Among them are air traffic controllers, pilots, aircraft maintenance engineers, aviation electronics and equipment specialists, company managers, and logistics professionals – all making their mark in the global aviation and transport industry.

Study process

Study Department The Study Department provides information about class schedules, examination sessions, and other academic matters. The schedule of lectures and classes can be viewed in the **Moodle** system by selecting the “Class Schedule” icon. Please follow the schedule and check it at least once a week. Students are informed about any changes to the schedule via email. Study Department Contact: ☎ Phone: 67629208 ✉ Email: s.opikova@rai.lv 📍 Building B, Room 211

Moodle and My Data RAI students have access to the Moodle information system, which provides convenient access to various electronic resources of the institute in one place. Each student must register in the Moodle system at the beginning of their studies. Technical Support: ☎ Phone: 67629084 ✉ Email: oleg@rai.lv 📍 Building B, Room 205

Classes, Tests, and Exams Classes, tests, and exams are held according to the schedule. Taking a delayed or repeated exam/test is allowed upon payment of an additional fee.

Exam/Test – **EUR 15.00**, Academic transcript for the current year – **EUR 8.00**

Finances. Study Loans Tuition fees can be paid in a single payment or in monthly installments. Students have the opportunity to apply for study and student loans. Sign the study agreement. Make the first tuition payment. Your data will be submitted to VIIS. Contact Swedbank to apply for a loan. The bank will have access to VIIS information. Study and student loans are fully guaranteed by the state.

☎ Phone: 67629207 ✉ Email: a.tilla@rai.lv 📍 Building A, Room 202

Dean's Office Information on study loans, student ID cards, agreements, and regulations for foreign students' stay at RAI, etc.

☎ Phone: 67629207 ✉ Email: a.tilla@rai.lv 📍 Building A, Room 202

Study process

Student Self-government Get involved in the RAI Student Self-government! Any RAI student can participate in the organization's activities as an activist or event organizer. ☎ Phone: 67629207 ✉ Email: sp.raai@rai.lv 📍 Building A, Room 203

Principles of Academic Integrity at RAI The core values of the RAI community are honesty, ethics, trust, and fairness. These values guide our behavior in studies, research, and the academic environment. Violations of academic integrity include the use of unauthorized aids, plagiarism, falsification, and other dishonest or unethical actions. Always provide proper references! Familiarize yourself with the methodological guidelines. Seek advice from instructors or the library. Base your work on high-quality sources.

Key Steps for Every Student

Participate in the first event – Knowledge Day!

Follow RAI's social media accounts on Facebook and Instagram for updates, study process information, and more.

Take part in the student initiation event!

For the E-card student discount, request a certificate, visit the nearest "Rīgas satiksme" customer center, and apply for the discount. Familiarize yourself with RAI's official documents, as well as documents related to studies and student rights.

Get to know the RAI administration, your field of study, and the directors of your study programs. ☎ Contact Phone: 67629207 ✉ Emails: k.savenkovs@rai.lv, v.reiskarts@rai.lv
